CONDIZIONI GENERALI DI VENDITA

1 VALIDITÀ DEGLI ORDINI.
Gli ordini commissionati devono intendersi conferiti in via irrevocabile per il termine di 60 giorni e la Alltech srl si riserva di accettarli. La compravendita, pertanto, sarà conclusa solo con l'accettazione o l'esecuzione degli ordini da parte della Alltech srl.

2 CONSEGNA.
La data di consegna della merce deve ritenersi sempre puramente indicativa. Ove gli imballi o le confezioni risultassero danneggiati, la Alltech srl non risponderà di eventuali vizi, mancanze o diformità se non segnalate all'atto della consegna.

3 PRODOTTI.
La Alltech srl non è responsabile dell'eventuale indisponibilità dei prodotti o di variazioni delle loro caratteristiche tecniche ed estetiche o della loro sostituzione con articoli analoghi.

4 PREZZI E LIMITI ALL'ACQUISTO.
A discrezione della Alltech srl i prezzi di listino possono essere soggetti a variazioni e sconti pure in dipendenza di azioni promozionali ed operazioni speciali, anche a carattere temporaneo e locale. Eventuali prodotti concessi a titolo di sconto saranno attribuiti previ accordi scritti o verbali intercorsi tra le parti. La Alltech srl si riserva di porre limitazioni all'acquisto.

5 PAGAMENTO.
Lo sconto esposto è concesso solo a condizione del rispetto dei termini di pagamento indicati nell'ordine ed accettati dalla Alltech srl; il ritardato o mancato pagamento del prezzo comporterà l'automatico annullamento dell'intero sconto concesso; i termini di pagamento sono obbligatori anche in caso di consegne parziali. Nelle vendite con pagamento dilazionato il mancato o ritardato pagamento di una sola rata comporterà la decadenza dal beneficio del termine e, conseguentemente, la Alltech srl avrà diritto di richiedere l'immediato pagamento dell'intero prezzo.

6 RESI.
Fatto salvo quanto previsto al punto 9), non si accettano resi se non autorizzati dalla direzione della Alltech srl. I resi devono essere richiesti entro 7 giorni dal ricevimento merce. La merce da rendere dovrà essere restituita nel proprio imballo e perfettamente integra presso il magazzino della Alltech srl, a cura, spese e rischio dell'acquirente.

7 RIPARAZIONI E SOSTITUZIONI DI MERCE.
Ogni contestazione inerente vizi o difetti dovrà essere inderogabilmente accompagnata dagli estremi del documento d'acquisto e la relativa merce, se pervenuta nel rispetto di quanto stabilito al precedente punto 6), sarà esaminata e, se del caso, riparata o sostituita o rimborsata a discrezione della Alltech srl.
Eventuali sostituzioni potranno avvenire solo con prodotti identici, ovvero, a discrezione della Alltech srl, con altri di pari prezzo, o di valore superiore, previo versamento della relativa differenza. Essendo i prodotti soggetti a possibili modifiche tecniche ed estetiche, le stesse non potranno essere addotte a motivo di reclamo, anche nei casi di completamento o integrazione d'ordine.

8 RESPONSABILITÀ.
La responsabilità per la scelta e il montaggio dei prodotti resta di esclusiva competenza dell'acquirente e/o dell'installatore indipendentemente dalle indicazioni contenute in cataloghi e confezioni. La Alltech srl non risponde di inesattezze o mancanze relative alla descrizione dei prodotti in cataloghi anche elettronici, stampati e confezioni.

9 DIRITTO DI RECESSO.
Ove ricorrano i presupposti stabiliti dal codice civile (artt. 1469 bis e ss.) e dal D.Lgs. n. 24/2002, ovvero dal D.Lgs. n. 50/1992, l'acquirente potrà recedere dal contratto secondo le norme sopra citate e le modalità da esse stabilite ed avrà diritto alla restituzione del prezzo versato, a condizione che la merce, ove già consegnata, sia stata resa integra nel proprio imballo a cura, spese e rischio dell'acquirente.

CONDIZIONI GENERALI DI VENDITA

1 VALIDITÀ DEGLI ORDINI.
Gli ordini commissionati devono intendersi conferiti in via irrevocabile per il termine di 60 giorni e la Alltech srl si riserva di accettarli. La compravendita, pertanto, sarà conclusa solo con l'accettazione o l'esecuzione degli ordini da parte della Alltech srl.

2 CONSEGNA.
La data di consegna della merce deve ritenersi sempre puramente indicativa. Ove gli imballi o le confezioni risultassero danneggiati, la Alltech srl non risponderà di eventuali vizi, mancanze o diformità se non segnalate all'atto della consegna.

3 PRODOTTI.
La Alltech srl non è responsabile dell'eventuale indisponibilità dei prodotti o di variazioni delle loro caratteristiche tecniche ed estetiche o della loro sostituzione con articoli analoghi.

4 PREZZI E LIMITI ALL'ACQUISTO.
A discrezione della Alltech srl i prezzi di listino possono essere soggetti a variazioni e sconti pure in dipendenza di azioni promozionali ed operazioni speciali, anche a carattere temporaneo e locale. Eventuali prodotti concessi a titolo di sconto saranno attribuiti previ accordi scritti o verbali intercorsi tra le parti. La Alltech srl si riserva di porre limitazioni all'acquisto.

5 PAGAMENTO.
Lo sconto esposto è concesso solo a condizione del rispetto dei termini di pagamento indicati nell'ordine ed accettati dalla Alltech srl; il ritardato o mancato pagamento del prezzo comporterà l'automatico annullamento dell'intero sconto concesso; i termini di pagamento sono obbligatori anche in caso di consegne parziali. Nelle vendite con pagamento dilazionato il mancato o ritardato pagamento di una sola rata comporterà la decadenza dal beneficio del termine e, conseguentemente, la Alltech srl avrà diritto di richiedere l'immediato pagamento dell'intero prezzo.

6 RESI.
Fatto salvo quanto previsto al punto 9), non si accettano resi se non autorizzati dalla direzione della Alltech srl. I resi devono essere richiesti entro 7 giorni dal ricevimento merce. La merce da rendere dovrà essere restituita nel proprio imballo e perfettamente integra presso il magazzino della Alltech srl, a cura, spese e rischio dell'acquirente.

7 RIPARAZIONI E SOSTITUZIONI DI MERCE.
Ogni contestazione inerente vizi o difetti dovrà essere inderogabilmente accompagnata dagli estremi del documento d'acquisto e la relativa merce, se pervenuta nel rispetto di quanto stabilito al precedente punto 6), sarà esaminata e, se del caso, riparata o sostituita o rimborsata a discrezione della Alltech srl.
Eventuali sostituzioni potranno avvenire solo con prodotti identici, ovvero, a discrezione della Alltech srl, con altri di pari prezzo, o di valore superiore, previo versamento della relativa differenza. Essendo i prodotti soggetti a possibili modifiche tecniche ed estetiche, le stesse non potranno essere addotte a motivo di reclamo, anche nei casi di completamento o integrazione d'ordine.

8 RESPONSABILITÀ.
La responsabilità per la scelta e il montaggio dei prodotti resta di esclusiva competenza dell'acquirente e/o dell'installatore indipendentemente dalle indicazioni contenute in cataloghi e confezioni. La Alltech srl non risponde di inesattezze o mancanze relative alla descrizione dei prodotti in cataloghi anche elettronici, stampati e confezioni.

9 DIRITTO DI RECESSO.
Ove ricorrano i presupposti stabiliti dal codice civile (artt. 1469 bis e ss.) e dal D.Lgs. n. 24/2002, ovvero dal D.Lgs. n. 50/1992, l'acquirente potrà recedere dal contratto secondo le norme sopra citate e le modalità da esse stabilite ed avrà diritto alla restituzione del prezzo versato, a condizione che la merce, ove già consegnata, sia stata resa integra nel proprio imballo a cura, spese e rischio dell'acquirente.
